

## Caswell and the Peel N' Eats

### Yacht Rock with a Parrot Head Twist

Catch the wave! Yacht Rock is one of the hottest genres of music, encompassing the smooth sounds of radio from the late 70's and early 80's. Think artists like Christopher Cross, Boz Skaggs, Toto and Rupert Holmes and you get the vibe. Throw in some Jimmy Buffett and that turns up the dial! Caswell and the Peel N' Eats are a seasoned group of musicians who sing, play and dress the part for your nautical experience! Captain hats and pink flamingos are a hallmark of the shows. The performance is upbeat and interactive with audience participation. The band has played festivals, theaters, clubs and event rooms and has been gaining a following.

You will hear covers of Yacht Rock favorites like "Brandy," "Escape: The Pina Colada Song," "Dancing in the Moonlight," "Spooky," "Lowdown," and "Ride Captain Ride." You will also hear the catchy original, and first single release from the band, "Coconut Kevin" which has become a crowd pleaser and has been in the top of over 10 national charts including #1 on Beach Music Charts, #1 Country and #2 Adult Contemporary and the video has been seen by over 100,000 online. The follow up single "The Beach" spent 5 weeks at #1 on the Beach Music Charts and is currently in the Top 40 on 9 different national charts ranging from Adult Contemporary to Pop. The band plays mainly Yacht Rock but we do change it up with music of Jimmy Buffett, Sugar Ray's "Fly" and James Brown's "Living in America" as well as Weezer's "Island in the Sun."

The band is sure to draw a crowd to your Yacht or Beach Party, whether it is a festival, fair, concert venue, cruise, or other type of celebration. Caswell & the Peel N' Eats come with a built-in social media campaign to get the word out and enhance your event. We will create memes and reels for Facebook, Instagram, X and TikTok as part of the package.

We also have the opportunity (when available) to bring a special guest, Grammy-Nominated John Ford Coley, an original Yacht Rocker from the duo England Dan and John Ford Coley who will deliver his hits "Nights are Forever Without You," "Love is the Answer" and "I'd Really Love To See You Tonight."

Yacht Rock with a Parrot Head Twist is the brand. Caswell & the Peel N' Eats deliver for your venue.
